Max Keeping Foundation

\$15,000 cheque was presented to the Max Keeping Foundation on Wednesday, February 22nd, 2012.

CHANCE Foundation had two teams in the Max Keeping Bowl-A-Thon in March, 2012.

Bingham Park

A large capital grant was submitted on March 1st, 2012.

CHANCE Foundation contributed **\$20,378.40** while the Lowertown community association (LCA) raised a total of \$16,633 – resulting in an estimated contribution from the community of \$37,011.40. This would ultimately result in a total budget of **\$74,022.80** (each dollar matched by the City of Ottawa).

Community Survey: CHANCE and the LCA designed a survey for Lowertown community members. The survey is open to all members of the community and is designed to gain feedback from the community.

Working with Dynamo

Playgrounds: a local park company that specializes in rope structures and other new age structures.

Build start: scheduled for spring of 2013.

New project: Jeremie's Children

In partnership with a group of community leaders, we will be building a new orphanage and school in Jeremie, the capital city of the province of Grande Anse in Haiti.

The Emmanuel Orphanage, which supports over 50 orphans and 50 students has been operating out of a building with sub-par living conditions since 1993.

Thanks to the very generous contributions of a group of Ottawa residents, the Emmanuel Orphanage purchased land for the construction of a new building and Phase I of construction has begun. Future Phases require continued funding, and CHANCE Foundation is excited to join forces with this group of community leaders to drastically improve the lives of over 100 deserving children.

Future fundraising events

Halloween party: CHANCE will be hosting a Halloween party Saturday, October 27th at 9:00 pm at the St. Anthony's Soccer Club.
